## THE MANOR

It comes as a pleasant surprise when you drive into the upmarket Friends Colony area and spy a hotel that resembles a well-designed bungalow. This is the Manor, a stylish boutique hotel located 30 minutes away from Indira Gandhi Airport that's all about understated elegance.

Unique to the hotel is its Old World Experiences programmes, such as walking tours in Old Delhi, sampling *Wazwan*, a traditional Kashmiri feast, plus exposure to Indian classical music, dance, art exhibitions and theatre. Its walking tour includes untold tales of Old Delhi by an expert guide, a rickshaw ride, entrance to temples and a planned three-course meal at Chor Bizarre, Delhi's best traditional Indian restaurant at Hotel Broadway.

The award-winning Indian Accent serves contemporary Indian food with a unique amalgamation of global ingredients and techniques with the flavours and traditions of India. Ingredients from all over the world are used in home-style regional Indian favourites: try the

masala miso Scottish salmon for a fusion favourite.
